5/6B: Mrs Bartlett
5/6H: Mrs Hayes (Mon/Tues/Wed) Mrs Murray (Thur/Fri)
5/6T: Mrs Thyrd
5/6W: Mr Wilson - Assistant Principal

We would like to take this opportunity to acknowledge some staff who are leaving us at the end of the week. Mr Jacob Christofis who has been teaching Year 1 this year will be heading across to work in the Support Unit at Mudgee Public School next year. Our school counsellors, Ashleigh Laurie and Emma Campbell have been re-allocated to other schools in the Mudgee area in 2020. I would like to especially acknowledge the work of Ashleigh as she has worked closely with the school over the past 7 years as one of our school counsellors. I would also like to thank Mrs Manon Garnock, who has been working as part of our Learning and Support team this year and Mrs Belinda Harris, a long serving SLSO for their work and support at Cudgegong Valley PS.

It is hard to believe how quickly the year has flown. We have enjoyed seeing your children flourish as they engage with learning, sporting and music programs here at CVPS. We would like to thank all of you for your support for the school and your contribution to our community.

We also acknowledge the hard-working and dedicated staff supporting your children to reach their potential. On behalf of the school, we wish you all the best for your end of year celebrations. Have safe and happy holidays and we will see you on Wednesday, 29th January 2020.

Mrs Neaverson-Smith
Principal
**Talent Quest**
The CVPS talent quest was a huge hit last week as students from across the school sang, danced, and entertained us last Friday. Well done to all the performers who braved the stage to show off their amazing talents! Pictured is our opening act (a group who perhaps should have left school a long time ago): our teachers who gave an impromptu lesson in 80s aerobics - Cudgee style!

**Premier’s Reading Challenge**
CVPS will be taking part in the Premier’s Reading Challenge in 2020. Students who wish to take part can start reading now, just take a note of the books you read during the holidays. If you need further information please see the following link:

**P&C 2019**
The P&C saw some big changes to the executive roles this year and the new executive team have absolutely loved their new positions and the work that they have achieved within them. Please give some thought to being involved in 2020, as we love to see lots parents, care givers and citizens involved. The P&C’s main role is to provide feedback and ideas to the school executive. Without a P&C there will be no parent or community input into school decisions or direction.

There has been a focus on fundraising this year, however, this has been a personal goal of the current P&C, and is not a requirement of any P&C committee.

Our first meeting in 2020 will be Thursday 20th February. We hope to see lots of new faces there!

Thank you to everyone in our school community for being so supportive and generous of the P&C events this year. We wish everyone a very safe and happy festive season.

Regards,
Nikki Amphlett

**Sports Court Thermometer**
It has been another massive year of fundraising for the P&C and in 2019 we have raised a further profit of $33,000 towards the All – Weather Sports Court project! It’s unbelievably exciting to say that the thermometer is ‘full’ and we have reached our goal of raising $70 000!! A massive thanks must go to Jenni Buckley for her work towards securing a grant from Glencore worth $16 000, which was gratefully received by the P&C.
